

Snowman Perspective Art Project

Grades 1-3 Visual Arts

What You'll Get:

22-slide Google Slides™
to introduce project (editable)

13 Student Planning and
Prep Pages

Name: _____ Date: _____

Worm's Eye Perspective

Worm's-eye perspective shows an object as if you are very small and looking up from the ground.

Instructions: Imagine you are lying in the snow and looking up at a winter tree. What would you see?

1 

2 

3 

Complete the sentences:

The bottom of the tree is _____ because _____ me.

The top of the tree is _____ because it is _____.

Word Bank: larger, smaller

Name: _____ Date: _____

Near and Far

The horizon line is where the land or water appears to meet the sky.

Objects that are close appear larger. They are drawn at the bottom of the page.

Objects that are far away appear smaller. They are drawn at the top of the page on the horizon line.

Instructions: Trace the horizon line. Draw the objects described below.

Close	Far away
☐ Draw a large snowman	☐ Draw a small snowman
☐ Draw a large tree	☐ Draw a small tree

Snowman Perspective Art Project

Students Will Learn To:

- ✓ Identify how artists use space and perspective
- ✓ Understand worm's-eye view and viewpoint
- ✓ Create the illusion of depth by drawing objects larger when they are closer and smaller when they are farther away
- ✓ Draw a snowman from a dramatic worm's-eye perspective
- ✓ Use colour, line and details to complete a creative winter scene

Assessment: Rubric Included

Students demonstrate their understanding of space and perspective.

Ready-to-go Google Slides™ allow you to introduce project in a whole-class setting.

Name: _____ Date: _____

Near and Far

The horizon line is where the land or water appears to meet the sky.

Objects that are close appear larger. They are drawn at the bottom of the page.

Objects that are far away appear smaller. They are drawn at the top of the page on the horizon line.

Instructions: Trace the horizon line. Draw the objects described below.

Close	Far away
☐ Draw a large snowman	☐ Draw a small snowman
☐ Draw a large tree	☐ Draw a small tree

Name: _____ Date: _____

What is Space?

Space is the area around, between and inside objects in an artwork.

Instructions: Look at the picture. Colour each space using the code.

- ☐ Colour the space inside the snowman blue.
- ☐ Colour the space inside the tree green.
- ☐ Colour the space around the snowman and the tree yellow.
- ☐ Colour the space between the objects purple.
